

## GOVERNMENT COLLEGE OF ENGINEERING, JALGAON

(An autonomous institute of Government of Maharashtra)

Date: 16/10/2020

**Notice/Circular Regarding Supplementary End Semester Examination (ESE) for failed students in the courses of II, IV and VI semester and also for those who have passed the courses of II, IV and VI semester but wish to improve their grade/s**

It is hereby informed that Supplementary End-Semester Examination (ESE) for the students who have failed in Summer-2020 in the courses of II, IV and VI semester, and also for those who have passed the courses of II, IV and VI semester but wish to improve their grade/s **(to be held in online<sup>#</sup> mode through any suitable online platform and with question-papers of conventional descriptive type)** will be held by in the slot of **1 to 10 December, 2020**.

**The students should submit the examination form for appearing at the examination. The notice for the same shall be released very soon.**

**Method of conventional (descriptive) type online examination:**

1. Conventional type question-papers shall reach to all the regular students through a suitable online platform.
2. Students should write the answers on full-scope ruled papers in the allotted time of 3 hours, with all the details (course code, course name, PRN, name of the candidate to be mentioned on first page and PRN, course code to be mentioned on all remaining pages of the answer-book). The students should scan the answer-paper in the exact sequence of page numbers and upload a single PDF file of the answer-book on the online platform as instructed by the institute.
3. Other detailed instructions will be provided to all students one week before the examination.

# This ESE shall be held in offline mode (in campus) if Covid-19 situation gets to normal and such clear instructions / guidelines are issued by the state government / competent authority. Otherwise, it will be held in online mode.
